# A Word from the President

## A Foundation for Life and Ministry!

I can think of many reasons why you should consider the role a Carver Bible College education can play in laying a solid foundation for your life, your ministry as well as future graduate studies, but let me just give you five for now:

**Our faculty are the best!** Our accreditation association (ABHE.ORG) requires us to hire only faculty with at least

an earned credible masters degree in the subject matter they teach. In addition, our faculty have a proven track record of effective professionalism and expertise.

**We give you only the Bible!** Different opinions can often make interpreting the Scripture confusing and difficult. In fifteen weeks, we'll give you only what the Bible teaches, not our opinions or our personal bent towards things we don't agree with.

**Practicality is emphasized!** You will complete your studies with specifics you can apply immediately to both your personal and professional life. We promise that our teaching will be made relevant to today.

**The value is unbeatable!** Our tuition is among the lowest you'll find anywhere (\$230 per credit hour), yet studying the Scriptures is the most significant discipline any of us could ever pursue. Solomon valued the wisdom and knowledge of God above any earthly wealth.

**We guarantee growth!** What you learn at Carver will change your own heart as you're equipped to impact the lives of others. Our school motto – Training to Transform - first applies to ourselves, then to our students, then we trust God to involve our grads in transforming the lives of others – for a life time! Everyone experiences growth whenever the Word of God is taught effectively.

Thanks so much for choosing Carver! We have three educational goals: To build character, impart knowledge of the Scriptures, and equip you with effective ministry skills. I look forward to seeing you on campus!

Training to Transform,

Robert Crummie, Sr.  
President
